THE MODERATOR: Questions, please.

Q. I wanted you to give us your verdict on the match today.

ALEXANDER ZVEREV: Yeah, for the circumstances, I think it was quite a good match from my side. David played extremely well I thought.

Yeah, I mean, with the elbow injury, with not knowing whether I'm going to play the tournament or not, I think it was quite okay. Of course, a little bit upsetting that I didn't end up winning the tiebreak, but that's just how it goes.
