40FINGERS

With over 100 million views of their video clips, these four Italian acoustic guitarists have conquered social media worldwide by masterfully reinterpreting masterpieces of classical, pop, and rock music. Major international stars, from Andrea Bocelli to Tory Kelly via Andy Summers (from The Police), have chosen them for duets.

Accompanied by spectacular visual production, these artists explore new sonic landscapes, taking audiences on a sublime journey of virtuosity through their renditions of *Sultans of Swing*, *Per Elisa*, *Mozart's Figaro Overture*, and *Mamma Mia*.
